

# William Raymond

## University of Windsor

Will is entering his third year at the University of Windsor Faculty of Law and is particularly interested in criminal law. He has worked for Community Legal Aid in Windsor as a summer student and volunteered there as a group leader during the most recent academic term.

He also has previous experience as a volunteer with the Victim/Witness Assistance Program in Windsor.

Prior to law school, Will completed his Bachelor's of Social Work degree and Certificate in Law & Politics, also at the University of Windsor.

Other than criminal justice, he is passionate about prison reform and poverty-related advocacy.

Outside of school and work, Will enjoys being with friends and family most. He is an avid Raptors fan, amateur guitarist and the proud owner of a new telescope!
